** All residents and staff are being tested according to State, Local and Federal guidelines.
Our local Dept of Health has been notified and we are following all necessary guidelines**

**All Floors are under precautions, face shields and N95 masks are to be used. We must still maintain social distancing and mask wearing. ** Thank you.

** Please refrain from visiting if you have any cold or flu like symptoms. Thank you.

** CDC is updating its recommendations to allow certain immunocompromised individuals and people over the age of 50 who received an initial booster dose at least 4 months ago, to be eligible for another mRNA booster to increase their protection against severe disease from Covid-19. We are encouraging our own residents to receive this additional booster. As family members, we encourage you to seek options in the community as well. We are available to provide any support needed.
